Mid Summer Newsletter 2005

We sure hope that your summer will be a busy (but not too busy), happy and profitable one. Be sure to get some "me-time" and enjoy this great area!

The MPDBA Board has been active during the summer months planning and operating special events and programs, and preparing for our new season starting in September.

Our next regular dinner meeting will be at the Best Western Highland Inn on Wednesday, September 28th.
